

MAX Engraver

VISION
ENGRAVING & ROUTING SYSTEMS
A Company of Western Engravers Supply, Inc.

Increase Capabilities & Business Revenue!

The MAX Engraver is Vision's original multi-axis rotary engraving machine. With engraving speeds of up to 10" per second and a removable 8" x 12" flat engraving table, the MAX can engrave cylindrical items up to 11" in diameter and flat items up to 11" thick. The MAX is also ideal for heavy-duty work, including marking industrial items such as tools, cylinders, pipes, and gauges.

The MAX Offers:

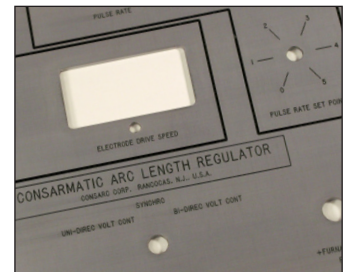

- Red Laser Pointer for easy job set-up
- 8" x 12" aluminum T-slot table
- Self-centering work-holding vise with cones for holding round items
- 2-year limited warranty
